One SRF/JRF, with following details, is to be appointed in Chemical Engineering Department for a CSIR, New Delhi, sponsored research project titled “**Synthesis of value added organic chemicals by electrolytic oxidation of soda agroresidue black liquor**”. The scope for enrolling in Ph.D. programme at SLIET is available under this project.

Qualifications:

For SRF:

M.E./M.Tech. in Chemical Engg. / Environmental Engg. / Paper Technology or equivalent

For JRF:

M.Sc in Organic Chemistry / Environmental Science with NET qualification
OR

B.E./B.Tech. in Chemical Engg. / Environmental Engg. / Paper Technology or equivalent with GATE qualification

The post is purely temporary and co-terminus with the Project.

Age Limit: 32 years for SRF or 28 years for JRF as on December 31, 2014. Upper age limit is relaxable upto 5 years for SC/ST/OBC/Women and Physically handicapped candidates.

Fellowship and other allowances: As per CSIR norms.

The interested candidates may attend a walk in interview on 18/12/2014 at 10 AM in the Office of Dean (R&C). They should bring with them their curriculum vitae with a recent passport size photograph, attested copies of marks sheets, certificates, and testimonials along with originals for verification. No TA/DA is admissible for attending the interview.
