1. All rates be quoted on the proper form of the tender alone.
2. The tenderers should quote in figures as well as in word the rates and amount tendered by them. The amount for each item should be worked out the requisite totals given.
3. i) An item rate tender containing percentage below/above will be summarily rejected. However where a tendered voluntarily offers a rebate, this may be considered.
ii) Tender shall be strictly as per the condition of contract, conditional tenders are liable to be rejected.
4. i) Special care should be taken to write the rate and amounts in figures as well as in words in such a way that interpolation is not possible. The total amount should be written before the figure of Rupees and word paisa should be written at the end (unless the rates in whole rupees) and followed by the word only. It should invariably to upto two decimal places. While quoting the rates in schedule of quantities, the word only should be written closely following the amount and it should not be written in the next line.
ii) In case of any discrepancy between the rates quoted in figures and words that rate on which the amount has been worked out shall be taken as correct. In case of any discrepancy between the rate quoted and the amount worked out the rate quoted in figures and words shall be taken as correct.
5. The tender for works shall remain open for acceptance for a period of ninety days from date of opening of tenders. If any tenderer withdraws his tender before the said period or makes any modification in the terms and conditions of the tender which are not acceptable to the Institute, then the Institute shall without prejudice to any right or remedy, be at liberty to forfeit the said earnest money absolutely.
6. The acceptance of a tender will rest with the Director, SLIET who does not bind himself to accept the lowest tender, and reserves to himself the authority to reject any or all of the tenders received without the assignment of any reason. All tenders in which any of the prescribed conditions are not fulfilled or are incomplete in any respect are liable to be rejected.
7. On acceptance of the tender, the name of the accredited representative(s) of the contractor who would be responsible for taking instructions from the Engineer-in-charge shall be intimated to the undersigned.
8. Canvassing in connection with tenders is strictly prohibited and the tender submitted by the contractors who resort to canvassing will be liable to rejection.
9. The tenderer shall not be permitted to tender for work in the SLIET responsible for award and execution of contractors in which his near relative is posted as Accountant or as an Officer in any capacity between the grades of Estate Officer and Assistant Engineer (both inclusive). He shall also intimate the names of persons who are working with in any capacity or are subsequently employed by him and who are near relatives to any of the officers in the Institute. Any breach of this condition by the tenderer would render him liable to be removed from the approved list of contractors of this Institute.
10. Sales tax or any other tax on material in respect of the contract shall be payable by the contractor and Institute will not entertain any claim whatsoever.
11. The tender for the composite work include electrical works.
12. In case the last date for opening Technical & Financial Bid is holiday then these will opened on the next working day at same time & venue.
13. The existing/ working contractor with SLIET, Longowal has to submit behavior certificate duly issued by F.I. (E)/ A.E. (E), SLIET, Longowal alongwith tender document.
