**EXPRESSION OF INTEREST (EoI) FOR WEB BASED ERP/ UNIVERSITY
MANAGEMENT SYSTEM (UMS)**

Date of Issue of EoI : 06.06.16

INTRODUCTION: Sant Longowal Institute of Engineering & Technology (SLIET), established by the Government of India, provides technical education in emerging areas of Engineering & Technology. It caters to the requirement of technical manpower at various levels by adopting the concept of modular system in imparting technical education with emphasis on practical training in industry. Set up in 1989 under Rajiv Gandhi - Longowal accord with an aim to fulfill the cherished dreams of late Sant Harchand Singh Longowal, the Institute has carved for itself a niche place among the professional Institutes and Universities of the country. The educational programmes of this institute are non-conventional, innovative, practical oriented and contain all aspects of new education policy (1986) of Govt. of India. The Institute offers programmes at Certificate, Diploma, Degree, Post-graduate (M.Tech., MBA and M.Sc.) and Ph.D. level in Science, Humanities, Management, Engineering and Technology. The Institute is a Deemed University since year 2007. The institute has about 5000 users including faculty, staff and students spread in various departments/ sections.

SLIET intends to introduce the use of ICT in its functions related to Students' Admission, Registration, Examination, Result Processing and Declaration etc., Financial Management, Purchase and Store Management, Project Management, Estate Management, HR Management, Accounting, Recruitment, Assets Management, Hostel and Mess Management and many more to bring about more efficiency, transparency and responsiveness in administration.
