Subject: Constitution of ISO 21001 Implementation Committee.

In pursuit of continuous improvement and excellence in teaching, research, and administration, it has been decided to adopt and implement **ISO 21001: Educational Organizations Management System (EOMS)** in SLIET.

The adoption of ISO 21001 is vital as it provides a globally recognized framework specifically designed for educational institutions. It will help us in:-

- Establishing standardized processes and systems across academic & administrative functions.
- Enhancing efficiency, transparency, and accountability in all institutional operations.
- Fostering learner satisfaction and improving overall quality of education.
- Strengthening the institution's image and credibility at national and international levels.
- Supporting sustainable growth and continuous improvement mechanisms.

The implementation of **ISO 21001** will also contribute significantly to improving our NAAC grading by ensuring robust documentation, systematic processes, and quality assurance practices aligned to accreditation requirements.

Accordingly, the following ISO 21001 Implementation Committee is constituted to plan, coordinate, and oversee all activities pertaining to the standard's implementation:

01. Prof. Sanjay Marwaha	Chairman
02. Sh. H. M. Arora, Registrar	Nodal Officer
03. Dr. Tejinder Singh, Assistant Professor (CSE)	Member
